

SCHOOL BREAKFAST CLUBS PROGRAM

NEW SOUPS -

ALLERGEN UPDATE

We have replaced the Chicken and Noodle Soup, and Butternut Pumpkin Soup with two new Victorian-made products.

The new soups come in the packaging below, and are now available to order.

As at July 2026, there are important allergen changes to be aware of:

Chicken and Corn Soup

Contains: milk.
May contain: soy.

Pumpkin and Sweet Potato Soup

May contain: soy.

Action Required:

- Carefully **review the allergen information** provided above.
- Ensure all **relevant staff and volunteers are aware** of these changes.
- If ordering the new soups, **carefully check the product label, ingredients list and allergen information.** Always refer to the product label before use.
- Communicate this information with students and families as required.
- Update any relevant student health documentation, including:
 - Student Health Support Plans
 - ASCIA Action Plans
 - Individual Anaphylaxis Management Plans
 - Individual Allergic Reaction Risk Management Plans
- Refer to page 24 of the updated SBCP toolkit for further guidance on managing student health, allergen risks and special needs.

Download the toolkit at: schoolbreakfastclubs.org.au/breakfast-club/#program-resources

The new soups will also be introduced into home food packs from early Term 3. For the first few weeks of rollout, packs containing the new products will be identified with a sticker on the box.
